SUCCESSFUL START

At Child Care Aware® of Eastern Kansas, we are dedicated to helping new early learning programs get their businesses off to a great start.

WE DO THIS BY OFFERING:

■ Business Referral Profile

Help with setting up and maintaining your business referral profile to connect you with families looking for child care.

■ Free Online Business Courses

Free online business courses with vital information for getting connected to the agencies, resources and systems that will help your business prosper.

■ Access to an Early Care & Education Coach

Access to an early care and education coach to provide you feedback and assistance on all your business needs: including marketing your program, writing contracts and policies, setting up a record-keeping system, navigating the steps to applying for your license, and much more!

■ Connections to Peer Mentors

Connection to peer mentors who can help offer support through the process.

■ The Den

Access to a monthly virtual meeting place, "The Den," to discuss business related topics.

Starting a new child care business is very exciting and it can be a bit overwhelming, but we are here for you! You can contact our Early Care and Education Specialist, Deb Danielson, at deb@east.ks.childcareaware.org, or by phone at 785-224-6479 (call or text).
